SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §1.56, the documents identified on the enclosed PTO-1449 form are disclosed to the Examiner for consideration in connection with the present application. Copies of the documents identified on the enclosed PTO-1449 form are enclosed.

The documents identified on the enclosed PTO-1449 form was first cited in a communication from a foreign patent office in connection with a foreign counterpart of the present application not more than three months prior to the filing of this information disclosure statement. Consequently, no fee is required for the submission of this information disclosure statement.

As set forth in 37 C.F.R. §1.97(h), the submission of these documents are not an admission that they are, or are considered to be, material to patentability. Also, the submission of these documents is not an admission that they are prior art.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
